

Introduction

View of the entrance to Queens Walk from the London Road

Welcome to our consultation event for the proposed redevelopment of the existing Martell's department store, Queens Walk, East Grinstead.

We are proposing to demolish the store and redevelop the land to provide new retail, leisure and residential uses, along with new public realm.

This consultation is an opportunity for you to tell us what you think before a planning application is submitted to Mid Sussex District Council. We want to understand how local residents and businesses feel about modernising this part of East Grinstead town centre to improve the shopping experience.

Members of the project team are here today to talk you through our ideas and answer any questions you might have.

There are feedback forms available to record your views, which will be considered before we proceed further with our design work. You can also send us your views via our website www.queenswalkconsultation.co.uk

As part of our planning application, we will feedback to you on our response to the key issues raised during the consultation. We are committed to keeping the public informed as the project progresses through the development process.

The Team
